Colour Editor Masterclass

Time	Section	Content	Notes
0	Intro	What are we learning today, kids?	
	Basic Tab	How does it work? (David (Show colour ranges - choosing segments not "colours")	
		Show Practical example (David)	
		David has an example where basic fails (especially if you don't verify colour range)	
		Which color is this? (Iceberg example) (Paul)	
	Advanced	How does it work? (David)	
		Colour range Limitation - i.e add in a Layer	
		Light Trails - Making them pop (Paul)	
		Selecting a range -> Making mask from Range (Paul)	
		ProStandard vs Film Standard (Paul)	
	Skin Tone Tab	David does Skin Example	
		Paul does Sunset, Blue Sky + Grass	
	Black & White Tool	If time allows, how does Color Editor interact with BW Tool?	
	Brokeback Intro	What are we doing in the USA
